3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest the time limited set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Teachers shall be required to report for duty in their classrooms or other area designated by the principal at least ten (10) minutes before the opening of the pupils' school day and not leave sooner than fifteen (15) minutes after the close of the school day. The Board encourages teachers to extend their work day beyond the student day whenever this would benefit their students or further their own professional development.
4. (a) Classroom teachers shall, in addition to their lunch period, have daily preparation time of one full period during which they shall not be assigned to any other duties. Other certificated members of the negotiating unit who are not regular classroom teachers shall be provided with preparation time to the same extent as other teachers. Typically, the regular work day is from 8:50 a.m. - 3:45 p.m. A teacher assigned to work a flexible schedule may be assigned to begin work at 8:00 a.m. Teaching assignments which may be scheduled for flexible schedule are: music, gifted and talented, ESL, remedial programs. The salaries of all instructional aides covered by this Agreement will be adjusted annually to reflect the same salary guide adjustment agreed to by the Franklin Lakes Education Association and the Franklin Lakes Board of Education. For the 1997-1998 school year the adjustment will be 3.90%. For the 1998-1999 school year this adjustment will be 3.85%. For the 1999-2000 school year this adjustment will be 3.85%.

B. 1. The Board agrees to permit teachers and instructional aides the option of selecting either a 20 payment plan or a 24 payment plan.

For those teachers and instructional aides selecting the 24 payment option, paychecks will be mailed only during July and August. All teachers and instructional aides will have their paychecks distributed to them in the usual manner during the school year, regardless of payment option.

2. When a pay day falls on or during a school holiday, vacation or weekend, teachers and instructional aides shall receive their paychecks on the last previous working day.

3. Teachers and instructional aides shall receive their first paycheck in September of each year on the first Friday after returning to school.

4. Teachers and instructional aides shall receive their final checks and the pay schedule for the following year on the last working day in June.

C. WITHHOLDING OF INCREMENT PROCEDURE

Salary increases, as represented by advancement on the salary guide, are not automatic. Increases are earned through satisfactory teaching performance as evidenced by evaluations conducted by the administrator.

The teacher appraisal and evaluation process is the base upon which this procedure for withholding an increment is established. The evaluation process is defined in the policy manual of the Board.

1. Once the recommendation to withhold an increment has been forwarded to the teacher and the Superintendent, the teacher may request the Superintendent, within ten (10) school days and in writing, to establish a date when the teacher could meet with the Superintendent to discuss the principal's recommendation. The Superintendent shall not forward the recommendation to the Board of Education without such a conference unless the ten (10) school days have elapsed without the written request from the teacher.

2. Should the resultant action of the Superintendent be to forward a recommendation for withholding an increment to the Board, the teacher to be so deprived shall receive written notice of such a recommendation.

3. Following such a recommendation by the Superintendent, arrangements shall be made to afford the teacher a reasonable opportunity to speak in his own defense before the Board. In order to have such an opportunity, the teacher must, within ten (10) school days after receipt of the written notice from the Superintendent, request in writing a meeting with the Board in closed session.

4. The Board shall be given a reasonable opportunity, following the meeting with the teacher, to deliberate. Should the resultant action of the Board be to withhold the increment, the Board shall, within ten (10) school days, give written notice of the action, and the reason to the teacher concerned.
5. When an increment is withheld, the teacher will not advance to the next higher step on the salary guide for the next contract year. Withholding an increment will not prevent the teacher moving from the BS to the MA guide, or from the MA to the MA+30 guide if the teacher has satisfactorily completed the degree requirements. Placement on the higher degree guide will be at the same relative step.
6. If the teacher, who was deprived of an increment, subsequently performs satisfactorily for the next two successive contract years including the year of deprivation, the Board may restore the teacher to the salary step that the teacher would otherwise have attained had there not been a withholding of increment. The increment may be restored earlier at the recommendation of the Superintendent with the approval of the Board.
7. The teacher shall have the right to present his own appeal or to designate representatives of F.L.E.A. or another person of his own choosing to appear with him at any step in this procedure.

D. PART-TIME TEACHERS' SALARY SCHEDULE

1. All part-time teachers employed by the Board shall be paid prorated salaries determined by the following formula:

Full-Time Equivalent

$$\text{FTE} = \frac{\text{minutes of assigned time with pupils/week}}{30 \text{ forty-five minute periods/week}}$$

2. Part-time teachers who are employed for less than a full day, shall have their preparation period, lunch period, and supervisory duties pro-rated based on FTE. A part-time teacher whose schedule requires a full day, but less than a full week, shall receive a preparation period, lunch period, and supervisory duties equal to that of a full time teacher for each day worked.
3. Part-time schedule shall be developed by building supervisor or Superintendent.

E. PART-TIME INSTRUCTIONAL AIDES' SALARY SCHEDULE

1. All part-time instructional aides employed by the Board shall be paid prorated salaries determined by the following formula: Full-Time Equivalent. [FTE]

$$\text{FTE} = \frac{\text{minutes of assigned time with pupils/week}}{7 \text{ hours (minus 45 minutes for lunch)} \times 5}$$

2. Part-time instructional aides who are employed for less than a full day, shall have their lunch period and break prorated based on FTE. A part-time instructional aide whose schedule requires a full day, but less than a full week, shall receive a lunch period and breaks equal to that of a full-time instructional aide for each day worked.
3. Part-time schedule shall be developed by building supervisor or Superintendent.

2. To remain eligible he must attain 4 additional graduate credits every 2 years.

Such statement shall include the grade(s) and/or subject(s) to which the teacher desires to be transferred, in order of preference.

If a position becomes available after April 1, requests may be made for such position.

- B. In the event of requests for voluntary reassignment or transfer to fill such vacancies, the wishes of the individual will be considered. Each request will receive a written reply.

ARTICLE XII
INVOLUNTARY TRANSFERS
AND
REASSIGNMENTS

- A. The decision of transfer of teaching staff members requires a majority vote of the full Board of Education (18-25-1). However the principals and Superintendent may make recommendations to the Board of Education. In making such recommendations, the administrators will give consideration to filling vacancies with qualified volunteers instead of involuntary transfers or reassignments. The Board's decision will be final.
- B. Notice of an involuntary transfer or reassignment shall be given to teachers as soon as practicable.
- C. An involuntary transfer or reassignment shall be made on the basis of the best interests of the school system and when the teacher's services would be of greater value to the students in the reassigned position. An involuntary transfer or reassignment shall be made only after a meeting between the teacher involved and the principal at which time the principal will discuss his recommendations to the Superintendent and Board. The teacher may request a meeting with the Superintendent if so desired.

ARTICLE XIII

LIAISON COMMITTEE

- A. The Association shall select a Liaison Committee consisting of two (2) members for each school building which shall meet with the principal after school at least once a month and more often if necessary to review and discuss local school problems and practices, and to make suggestions and recommendations in the revision or development of building policies.

ARTICLE XIV

SICK LEAVE

- A. (1) Accumulative sick leave with pay will be allowed to regular full time members of the teaching staff and instructional aides. Sick leave will consist of twelve (12) school days for each year of employment. Part-time teaching staff members and instructional aides shall also be entitled to a prorated amount of accumulative sick leave which reflects their proportionate level of employment.

- (2) Part-time teaching staff members and instructional aides shall be deemed to use sick leave during their employment at a prorated rate which reflects their current proportionate levels of employment.

- B. By law, effective September 1964, all unused days of sick leave in any given year may be accumulated to be used for additional sick leave as needed in subsequent years. Prorated accumulative sick leave shall be calculated in, or converted to, terms representing full-time days for purposes of use by the part-time teaching staff member during his/her employment and at retirement. Upon retirement, a teacher will be granted remuneration at a rate of \$40 per day for full time up to a maximum of 100 full-time days of unused sick days. (Retirement Service as defined in the Teacher's Pension Plan).

- C. Teachers and instructional aides must notify the principals or his/her designee of their illness.

- D. The Sick Day Bank is a program to offer assistance to teachers in time of extended illness in the form of extension of their accrued personal sick days. It is not the purpose of the Bank to provide for an illness of a brief nature. The Sick Day Bank is a cooperative program whose implementation and maintenance is dependent on teacher support.

The bank will be built up by each teacher contributing one (1) day per year to the Bank. In the event the Bank has 700 days or more remaining September 1 each year, no days will be added to the Bank until the number drops below 300 days. In a year when days are put into the Bank, each teacher will receive eleven (11) sick days for personal use. At the end of the school year, any unused sick days remaining in the Bank will be carried over to the next year.

In the event that the Board and Association agree to dissolve the Bank for whatever reason, all days left in the Bank will be divided equally by the teachers in the district. No teacher will receive more days than he or she has contributed to the Bank.

The Board of Trustees reserves to itself, the right to have a second medical opinion of the patient making the claim for Bank use. The cost for such examination shall be paid for by the patient and the doctor used will be of the Bank's choice.

If a third opinion is necessary, a doctor mutually acceptable to F.L.E.A. and the member will be selected. The cost of this examination will be divided equally between F.L.E.A. and the member.

The Trustees of the Bank will be limited to granting up to thirty (30) school days at one time. A member may request additional sick leave by submitting a request and a doctor's certificate.

If in the judgment of the Trustees the teacher qualifies, the Trustees shall submit the request to the Board of Education. If the Board of Education agrees with the Trustees, the Board will arrange payment to the teacher. If the Board of Education rejects the request, the Board will notify the Trustees of the Bank.

The cost of the substitute or the estimated cost of a substitute shall be deducted from each additional sick day granted. A day's salary is defined as 1/200th of the teacher's annual salary.

In the event that a teacher uses all of his or her sick days and there are none available from the Sick Day Bank, then the Board of Education will have the sole power to decide, based on the merits of the case, whether or not any assistance in the form of extension of sick day benefits will be granted.

When an employee is on sick leave beyond his allotted number of days with pay, the deductions from his pay will be in the amount of 1/200th of his salary per day. The cost of the substitute shall be deducted from each additional sick day granted.
